

QUEEN'S CONFERENCE ON PHILANTHROPY

2018 First Year Representative Application

Due: Tuesday, September 19th at 11:59pm

What is QCOP?

Queen's Conference on Philanthropy invites delegates to find their passion and ignites the drive to make change. Now entering its tenth year, QCOP is Canada's premier undergraduate philanthropic conference.

Our purpose

QCOP was born after two passionate people shared their love in the backseat of a car. They shared their love for mankind, and discussed their desire to show their peers that anyone has the power to make a difference, whether it is big or small. QCOP strives to build a positive community with students from across Canada. A community of people who lend their time, talent, and passion to make our world a better place. We work to promote an inclusive and empowering environment for our executive, our phenomenal delegates, the distinguished speakers we attract, and anyone who stumbles across our social media.

Our mission and vision

As an executive team, all our efforts are channelled toward achieving our vision by providing a rich experience for passionate delegates and speakers under a unified theme. Throughout the conference, delegates will be exposed to various insights on philanthropy, its evolving role in society, and numerous ways they can get involved. Students will leave the conference not only inspired, but empowered, capable, and ready to make a difference. The team will work year-round to create a QCOP community and act as enablers for relationships that develop throughout the conference.

Our team character

Plain and simple, we are the executive team with the most HEART. This means an inclusive and supportive work environment, a culture of creativity and fun, and in the end, a family.

QCOP love,

Alex & Kienan
